

AP Human Geography Map Packet #1:

Oceania & Antarctica

Ecumene of 'Oceania'

(Australia, New Zealand, Melanesia, Micronesia, and Polynesia)¹

Page 49 reflects the ecumene of 'Oceania' after 1900. On the map below neatly shade the appropriate areas depicting the ecumene of these areas in GREEN (places of intense settlement).

¹ This map packet was last updated September 2, 2017, and is based on the 12th edition of Rubenstein's *The Cultural Landscape*

Political & Regional Map

Using this map: https://en.wikipedia.org/wiki/Pacific_Islander#/media/File:Pacific_Culture_Areas.jpg outline the island regions of Oceania, then label each country/territory within these regions:

RED (Micronesia): Palau, Federated States of Micronesia, and the Marshall Islands

PURPLE (Polynesia): Hawaiian Islands (American state), French Polynesia (French overseas territory),

BLUE (Melanesia): Fiji, New Caledonia (French overseas territory), Solomon Islands, and Papua New Guinea

ORANGE (Australasia): Australia, New Zealand

GREEN (Southeast Asia and island nations of Asia): The Philippines, Indonesia, and East Timor

Physical Maps of Australia & Antarctica

Many of these land and water features can be found by referencing <http://www.mapsofworld.com/physical-map/australia-physical-map.html> and <http://www.mapsofworld.com/physical-map/antarctica.htm>

*Several others will require a Google search for location identification

Water Features of Oceania

Coral Sea	Indian Ocean	Philippine Sea	Celebes Sea	Murray River
Great Barrier Reef	Pacific Ocean	Darling River	Arafura Sea	
Java Sea	Tasman Sea	Timor Sea	Bismark Sea	

Water Features of Antarctica:

Southern Atlantic Ocean

Southern Pacific Ocean

Southern Indian Ocean

Tasman Sea

Filchner-Ronne Ice Shelf

Ross Ice Shelf

Amery Ice Shelf

Larsen Ice Shelf

Drake Passage

Filchner-Ronne Ice Shelf

Weddell Sea

Physical Land Features of Australasia and Melanesia:

Puncak Jaya (mountain)

Maoke Mountains

Great Dividing Range

Island of Tasmania

Island of New Guinea

Bismarck Range

Great Victorian Desert

Uluru (Ayers Rock)

Bismarck Archipelago

Mt. Kosciuszko

Great Sandy Desert

Great Artesian Basin

Climate Map

Using the climate map on page 34 of your book, appropriately color-in the climates using the same colors as on that map, then label each of them. For your own preparation for the AP test in May, it is also HIGHLY prudent to refresh your knowledge of each climate's characteristics and how they differentiate from one another.

Agriculture Map

Using the agriculture map spanning pages 316 and 317 of your book appropriately color the types of agriculture that dominate particular areas. For your own preparation for the AP test in May, it is also **HIGHLY** prudent to refresh your knowledge of each climate's characteristics and how they differentiate from one another.
